

## **30 HOUR FAMINE – Youth Grades 6 to 12 Saturday March 10th to Sunday March 11th**

**YOUTH:** Are you ready to join a half a million teens across the nation to help fight hunger? We will again be fasting for 30 hours to get a real taste of what it means to be hungry and, in the process, we'll be raising money to help feed and care for children living in extreme poverty around the world. **This can be the single most effective event you're a part of all year to make a difference in peoples' lives.** And this means both in your community, and around the globe.

You may be asking why we fast 30 hours - why not 18, 20 or 24? The use of 30 hours is based on the fact that \$30 a month, just \$1 a day, will feed and care for a child. You could start by asking twelve people you know to donate \$30 - that's one person for each month of the year. If you succeed, you will have raised \$360, enough money to feed and provide necessary care to a child for a **WHOLE YEAR**. Last year with just 20 participants and no specific goal we managed to raise over \$3,000. Let's aim to beat that amount and help World Vision attain this year's goal of \$12 million.

**Our event will begin on a Saturday morning and conclude on Sunday when we break our fast with a meal.** The exact timing details for breaking the fast on Sunday are still being worked out, but plan on attending morning worship. We will keep you posted with details in the coming weeks. **We also hope to have youth who've attended Delaware work camp join us, so please be in contact with your Delaware pals and encourage them to participate.** We will be signing up participants on Sunday, February 4<sup>th</sup> before and after the church service. Student guides will be handed out at this time.

**ADULTS:** Interested in helping plan the event or volunteer in some capacity? Please attend a planning meeting after worship on Sunday, February 4<sup>th</sup>. If you can't make this meeting please call Carol Beasley at 865-5096 and let her know how you'd like to get involved.

*Let your sacrifice be a joyful offering to God,  
a thank you for all He has given you.*

*Now in its 16<sup>th</sup> year, World Vision's 30 Hour Famine raises awareness and money to fight hunger overseas and in the United States. During the 30 hours, participating teens go without food (consuming only juice at scheduled times), learn about world hunger and poverty, and perform community service projects.*
